We continue to make strides toward achieving our team's objective of delivering investment excellence and adding value to clients. To support these efforts, we are pleased to announce that we are looking to expand by recruiting several **Global Equity Analysts** to join our Investment Team.

Do you have strong analytical and quantitative skills? Are you the type of person who can thrive in a demanding team environment? Do you have a proven track record of excellence in global equity research? If this sounds like you or someone you know, we want to hear from you!

In this challenging and fast-paced role, the successful candidates will be responsible for performing fundamental analysis and making investment recommendations of companies following Cambridge's investment process and philosophy. If you have a passion for stocks, are dedicated, curious and have a strong work ethic, this role is for you.

By signing on for a career at Cambridge, you'll join a team of investment professionals who thrive on the challenge to be our best and continue to support our efforts to preserve and grow our clients' wealth.

If working with a fast-paced, young and energetic team speaks to you, please submit your resume, cover letter and answers to the following questions to: [herewegrow@cambridge.ci.com](mailto:herewegrow@cambridge.ci.com) by **May 31, 2019**.

1. What motivates you each day?
2. What single change would you make to the investment industry and why?
3. Share a topic you believe isn't being discussed enough today (non-investment related).
4. What makes a good business?
5. If you could start any business today, what would it be and why do you think it has the potential to succeed?

Please keep your response to less than 300 words per question.

We will review all applications and if your application sounds like we could be the right fit for each other, we'll be in touch to arrange a meeting.
